REGISTER:

The screenshot shows a web browser window with the title "Login and Registration Form". The address bar displays "127.0.0.1:5000/login". A notification bar at the top states "Google Chrome isn't your default browser" with a "Set as default" button. The main content area features a "Signup Form" with the following elements:

- Two buttons at the top: "Login" (white with black text) and "Signup" (orange with white text).
- Five input fields: "Name", "Email Address", "Password", "Confirm password", and "Contact no", each with a light gray border and placeholder text.
- A large orange "Signup" button at the bottom.

The browser's taskbar at the bottom shows various application icons and system status information, including the time "17:16" and date "15-10-2022".

ABOUT:

The screenshot shows a web browser window with the address bar displaying '127.0.0.1:5000/about'. The website content includes a header 'ABOUT US', a main title 'CONTAINMENT ZONE ALERTING APPLICATION', and two paragraphs of text. The first paragraph describes the application's purpose in helping users find affected zones. The second paragraph highlights its benefits for organizational performance and productivity. Below the text is a section titled 'KEY FEATURES' with four bullet points. The background features a large illustration of a superhero in a red cape and black suit, pointing towards a large blue virus-like character with a red mouth and sharp teeth. Several smaller blue virus-like characters are scattered around. The browser's taskbar at the bottom shows various application icons and the system clock indicating 15:14 on 15-10-2022.

ABOUT US

CONTAINMENT ZONE ALERTING APPLICATION

Containment zone alerting application provides efficient support to the users in solving their problems or queries about the containment zone. When a customer has a simple query and does not know how to find the affected zones, the containment zone alerting application helps them in providing answers for the frequently asked questions.

This model helps in improving the performance and productivity of the organization as graphical solutions facilitate decision making and save time. With visuals being more effective than texts in human understanding, graphical solutions help in saving time of the busy higher officials of the organization.

KEY FEATURES

- Delivering Respect to Your user
- Communicate Clearly With the user
- A Positive Attitude
- Product and Service Expertise
